

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Vision of the institution is **“Empowering students through education based on spirituality, science, professionalism”** and

Mission of the institution is **“Provide high-quality, affordable education.”**

Above stated Vision and mission statements of the institution are self-explanatory to indicate the distinctiveness of an institution.

Imparting higher education as per the structured syllabus provided by affiliating university is an obvious duty of any educational institution. But along with regular academic teaching this institute purposefully arranges various other programmes. As per the vision statement, institute actively work for empowering students on the basis of values like spirituality, scientific logic and professionalism.

Develop Spiritual logic among students and staff - Institution strongly believes in positive attitude and peace of mind. It has complete faith in traditional Indian values like purity of mental health, yoga and *Pranayam*. College also organizes *Ganesh-Mohotsav*, observe festival like *Makar-Sankrat*, *Dasera*, Eid etc. Through various activities like Art of Living Workshop, Lecture on stress management, institute try to develop spiritual strength of its students and staff. The ultimate object of the institution is to promote community engagement, service-learning, and volunteerism, developing responsible and active citizens.

Develop Scientific Logical Attitude: - Through its NSS camp and other in-campus activities, college try to develop scientific vision of our students. Removal of blind faith among students and encourage them to think on rational logic is prime motive of the college. Majority of students admitted in the college is from nearby village and represents lower middle class or below poverty line

segment of the society. Institute consider it as prime responsibility to shape the personality of their students on logical thinking. In this way college try to develop critical and independent thinking of students to face the various challenges

Efforts to Develop Professionalism among Students: - Institution follows various steps to inculcate professionalism and ethical values among students. College arranges informative lecture on competitive examination and career in banking sector. Competitions like mock interview and programme for soft skill development for students helps to transform them into responsible citizens. Programme like oath against corruption, observing *Sadbhavna Din*, Upholding democratic values etc. motivates to develop professionalism among students.

Provide High Quality Affordable Education: - Provide High Quality affordable education is one of the notable distinctiveness of this institution. Major segment of the students came from rural background and represents lower middle class group of the society. College impart higher education to those eligible students who have applied for any scholarship offered by central or state government. College also provide instalment facility for depositing college fees to needy students. In other words institution consistently work to promote student success, retention, and graduation rates through supportive services and resources.
